My dear Judith,

Your book CHOICE FOR SUCCESS is great. I enjoyed it immensely. I thank you much for the gift. I shall try with time to understand better its meaning. I have in hand only my own thoughts about a system and what I call Profound Knowledge. It is the theory of a system that I taught in Japan.

I wish much to spend time with you. It might be good if you had in mind for criticism and extension the content of my 4-day seminar, and of my forthcoming book, THE NEW ECONOMICS, to be published within a few months. I send best greetings and remain

Sincerely yours,

To Miss Judith Orloff-Falk
