GAME

Essence of the Game

People go for how they feel and give up what they want

When the Universe Fines

If the group is visibly in a fight.

If the group is not in synergy.

If they leave themselves when presenting.

If they are desperate.

If they get their heart's desire, then lose it.

When the Universe Rewards

When there is giving from the group (money, happiness, joy, fun, themselves).

When synergy is demonstrated.

When something is asked for.

For the Universe to Do

Take Notes (see attached examples).

Synergize with co-universe.

Support the groups when they get into feelings.

KEY: Why don't you keep your word?

(He doesn't want to.) He thinks the investment was good except we shouldn't have kept him.

All the stuff we have been dealing with today is the core of what has to be handled in order to have a spiritual relationship.

If you are a liar, you are a morsel for Satan. You can be knocked over by a truth teller. It's like being blind in a world of light. The denseness takes you over.

JOKE: "A liary" —Susie. The book you use to keep track of your lies.

JOKE: If you don't measure up inside, you have to keep track outside. —Susan F.

JOKE: You can sell the competition's product when you are in reaction.

Susie didn't keep her commitment.

Only commitments worth keeping are the ones you don't want to keep.

To have the relationship you say you want means change. It means doing what you say you'll do no matter how you feel.

Susan S. didn't do the assignments. Three weeks ago she said she shouldn't be in the program because of it and she still didn't do the assignments. Both she and Avram don't do things because they don't want to. Two people in temper tantrums at the same time in the relationship.

JOKE: "Let's get rid of them so I don't have to feel bad." —Darrell

When people don't do what they don't want to do, they are spoiled.

It doesn't matter what you want. What matters is your vision. How you do that is irrelevant.

JOKE: Recipe for choice:

1. Give yourself three or four options
2. Hum "Jeopardy" in your head
3. Pick
4. Do it.

Jack lets women choose him; demands that they take care of him and when they do he rejects it.

Are there any women that he wants to choose? Peg, Karen, Loren. We hummed Jeopardy and he picked Karen. His vision is of a joyful relationship (=having all of his feelings).

They both immediately acted out. That's what relationships are about. If they correct they will be ok.

JOKE: Your animia is an animess.

Both again refused to go for it and stayed slippery.

All of this good is the foundation material for relationship. We are now in the part of our relationship where we are stuck.

JOKE: Woman cuts head off to find out what's inside.

The energy of no choice is hysteria.

With Jack and Karen, the fear of abandonment is so quick and nasty, rather than feel the hurt.

JOKE: Anybody willing to donate part of their legs to Jack?

If people don't feel when a knife goes in, they are not taking to the person they are talking to. They are in an illusion.

If you want distance, you have that right. But if you attack...

Feelings are not important. When you act them out, just correct. Feelings running the relationship will drive you to despair. The good ones will leave but the bad ones stay.

Change only occurs when there is a perceived need. If you are with someone and try to control them into changing your sexuality leaves.

In a relationship where both are not going for change, it will last for a while. If only one changes it will be over. Only if both go for it will it last.

How many people have a reason for being with the person you are with because you are afraid of being alone?

Assignment: Work with your groups until you have the experience that they have let go of their relationship issues. Until they breakthrough. There is no form for them to observe. Can do whatever it takes.

Anger turns into violence when there is control put on it.

SUNDAY

The way to have a spiritual relationship is to be in your experience. To be ordinary.

The fights have been extraordinary. When we are in a fight, if we change our experience, we create a story and are in it, not our experience.

We will read what we think will support the work and share about ourselves.

Jack is in his head (said fuck you to T) about walking.

The content is always irrelevant. It's how you do things that matters.

JOKE: "Just like Carter." —Mildred

With T, what happens if the charges are dropped?

Your thoughts and feelings are a result of the last way you thought and felt and how you responded to it.

The way you change is by responding in the middle of a crisis in a new way.

Every time you believe your reaction, you create the future.

Generalized principles of relationship:

You have to handle what's true in a relationship. You can't just declare a new relationship. You have to deal with the effects of your behavior on the other person. Choose a new behavior.

"I'd much rather live than try to do it right." —Mary

BREAK

Two hours of no supporting the participants and they support each other.

Jack, "I can either be with me or with you all but not both." Jonathan wanted to interpret and Jack shut him off. "No." (I don't think he can teach unless this changes.)

Teach about the value of "declarations" and what they actually do.

JOKE: "It's like putting icing on a turd." —Brian

Does Cate want to clean up her relationship with Judith? Answer: I want to talk about it.

JOKE: You are demanding that she come and have a relationship with your mind.

Whatever you are caught in is because of your behavior right now. You don't want to be responsible for what you do.

Qualifying what you are saying is trying to control the other person's experience.

Context for approaching a relationship:

1. How is what I'm doing affecting my friends, family, planet, vision? From that approach, behave in ways that support the highest good. There is no control and it creates joy. OR
2. Am I getting enough love and attention... creates scarcity, poverty, devastation, separation and control. Am I good? Did I say it right is part of this. Believing your reactions, thoughts and feelings is too.
3. To attempt to not have any form, no agreements and no limits creates a relationship of the mind and dissatisfaction.

Spiritual bliss, flight and physical merging only comes from keeping your agreements.

There is no separation between work and home and life. We are learning.

Bar Talk and The Last Interlude

Choosing Love

Read "Bar Talk" and everyone had their interpretations of the story. If you have a taste of something you have an opportunity to go for the whole thing.

Why did Jonathan say no?

-He has to because he wants his father.

-After Friday when he felt free, Saturday he had a thought that he chose not to see the results of.

-He has to have his father and deal with how he was when his mother was dying before he can have himself.

-Because... I can't, I won't...I don't think I can have both — both parents, love and hate. When he feels love, he starts to feel everything and hate cancels out the love.

-Because he wants to be single.

Why does he want to be single?

-Because he can be free then. (To do what?) To be himself, to be relaxed, to get a fresh start.

-To have his parents.

-To have sex.

Why can't he have sex with Judith?

-Because she is sick most of the time.

-Because she is not his mother.

-He can make love to her and he feels like he has to have sex.

Judith feels relieved. He spoke the truth and he is doing it anyway.

JOKE: When we try to avoid something we get it in a worse form.

Marshall ignores what Darrell wants and yet Darrell continues to be in relationship with him.

Darrell is going to tell Marshall that he doesn't want to continue to work with him and he doesn't want to sponsor FOB in the context it is.

You do a behavior, the behavior poops. There is a sensation then a feeling and then a reaction.

JOKE: Anyone here not think Avram is full of shit?
