

BECAUSE THERE'S SO MUCH TO LEARN AND SO LITTLE TIME

June 10, 1991

Dear ETP II,

Due to our mosquito awareness team's discovery that Vermont is in the peak of mosquito season, we have decided to change the order of our remaining two sessions. The June session will be on relationships and our September session will be on the earth.

Please complete the following assignments for the second session:

1. Create a vision for what you want your relationship to be, whether you are in one or not. Then list the behaviors that are needed to make that vision happen.
2. Read the book "We" and if you have time, also read "He" and "She." All three books are by Robert Johnson.

We understand the book "Natural Acts" is out of print. We will give you another book of similar power during our next session.

Remember that we will be meeting at Patti's on Thursday, June 27 at 5:30 pm.

We can't wait to see you!

With love,

Judith
