ETP II Transformation

SESSION 2

FIRST EVENING

- Start with the connected breathing exercise, in silence. Get into your bodies and notice where you begin to be afraid.....(2 minutes). Then start to listen to the sounds outside (1 minute).
- Ask how many people did each of the assignments. Don't go for letter of the law. It is important for people to know what they did and didn't do and also what they do when asked.
- **This session is about your spiritual essence in relationship.**
- We will do a two day **healing** on the second and third days on **sexuality**.
- Ask: who experiences their sexuality as healthy?
 - Ask those people to share how they see their sexuality.
 - Address people's beliefs when what they say is not present (pictures).
- How to prepare for the next two days — just **know what is true about yourself sexually**.
- **Sharing** about everything since last session.
- How many people have had their relationships be a scene in a movie?
 - How many people can say unequivocally that they will give it up?
 - There can be so many stories, but none of them have anything to do with reality.
 - True relationship has nothing to do with a movie.
 - We are not suggesting not to have ritual or creating together by agreement, ways of being that might seem romantic, as long as you remember that you have to go poop sometimes. That's different than living a drama. Make it all conscious by agreement.

- Relationships in crisis can no longer walk the tight rope between the worlds. See what is true and trust yourself. Get out of drama and into integrity and then decide what you want.
- **Everyone knows everything there is to know.** How do you will yourself to deal with your knowing?
- When two people have matching dramas, they are perfectly matched. If one gives up the drama, they will no longer notice the other person.
- **Change only happens in the middle of perturbation, of paradox.**
- We are **creating the ground for spiritual joining in relationships** here this weekend.
- It is impossible to grab on to an experience that was or one that will be. You can only have what is now. **There is no past or future except as they are occurring simultaneously with the present.**
 - When an opportunity goes by, it will never happen again.
 - All that has to happen is that the truth be told in the moment.
- Another level of projection is... as high up as you put somebody is how low you also have to put them.
 - **Until you are equal, there is no real relationship** and only a mythological one.

BREAK

- "We have a question for everyone to answer between now and 9:00 pm": What is your true desire to have in your relationship of a spiritual nature?
- You don't want to have a special relationship that doesn't include all other relationships, because you have a picture of how to be in a certain relationship.
- Allow yourself to be sexual with everybody and act it in your chosen relationship.
- Be the same with everyone. Don't keep yourself from being yourself with anyone.

•**KEY: Spirit knows no separation.** Everyone is equal. And there is nobody but you.

- The projection you have on another person is physically experienced.
- You put pieces of yourself out on other people and you are an empty shell.
- The courage in taking back projections is to tell the truth, with nothing added and nothing taken away.
- Every time we believe a projection we become less than who we are and there becomes a blockage in that area.
- Instead, see yourself and know that you are being a nerdball and have compassion. Watch your thoughts and notice.
- If you are afraid of being abandoned, don't ever abandon anyone; don't withhold anything.

•How do you create the space to truly make a shift?

If you don't believe that you are the source of your life, it's a defense. You don't feel powerful but it is a very powerful way to act.

- We have designed a way to get through that for the "specially gifted defense group," or "inverted power group.":

Recipe for not being a Spoiled Brat

- > Have a vision that you create that involves Service
- > Have what is true be true, always
- > Give, give, give
- > Set loving limits on your own behavior no matter how you feel.
- > Observe what is going on in yourself without judgment.
(Including your judgements of yourself.)

- If anyone from that group makes a shift, you will have so much to give to people that are in that space.

BREAK

- Read “Now” from Tales of the Magic Monastery by Indries Shah
- Have the people who are in the “inverted power” group sit in an inner circle. Have them share about their sexuality.
 - Whenever someone in that circle gets that someone else in the circle is telling their real truth, that person leaves the circle and someone else can come in
 - It is possible to re-enter the group.
- What is in a relationship is nothing. **You create what is.**
 - Whoever tries to be a good person turns into a bitch.
 - The best relationships are the ones where sometimes you want to be with the person and sometimes you don't. But it is ordinary.
 - Why not give everyone the right to want what they want?...They might not want what you want.
 - People are who they are. Either you want them the way they are or forget it. There is nothing you can do to make the other person be different. What you do have is the power to heal yourself.
 - Mistakes and sexuality: do something personally responsible for your sexuality.

LUNCH

FRIDAY AFTERNOON

- Meditation for sexual healing: (Play “Bolero”)

Close your eyes. Go back to that first sexual experience. Re-experience it the way it was. Just the way it was..... Then create the experience of it the way you want it to be..... Look at that person and thank them and move on to the next sexual experience..... First you experience it the way it was and then the way you want it to be..... Then thank them and move on. We will give you fifteen minutes to do all the experiences up to the present.
- Sharing.
- Parents or churches judging sex and the possessiveness of families of children's bodies creates the violence that makes rape possible.

- Incest between fathers and daughters is because they are little; Mothers and sons too.

- We talked about who has never gotten little and lost the boundaries with their children.

BREAK

- **Every child is in love with their parents.** And they want them all to themselves. Their parents become their soul's picture of man or woman.

- Your parents are your model for man and woman. The more you rebel the more you are like them.

- The more you allow them to be who they are, the more space you have to be who you are.

- In our culture incest is not acceptable.

- Do a meditation to have them make love to their opposite sex parent. Then the other parent comes in and loves them together and the participant gets both parents at the same time. (Play "Almost Paradise")

- After dinner assignment, in groups: **RELATIONSHIP HEALING**

- Go over all of your sexual relationships and re-create them, so you end up innocent and virginal. Go year by year so that by tomorrow they are all fresh sexually; clean, new, innocent, joyful. Do it all night long if necessary.

- Share whatever is important to share.

- Make all sexual experience real. Get to what it really is now.

- It may be that you needed to make love and didn't. You can redo that.

- **If you know the truth you have the ability to choose freedom.** Even though you might not act on the knowledge.

- Mean what you say and say what you mean. Let yourself know what is true. You can release all karma tonight if you only say what's true.

- What truths does anybody have to share before dinner?

DINNER (Play "Forgiveness" by Don Henly)

SECOND DAY

- Begin with breathing exercise again. (Play "Barnaby's Canon.")
- Read "The Choice for Love" from Emmanuel's Book II
- Continue the list of spiritual aspects in relationships.
- **You won't get what you want if you don't take a stand.** If you always have an out, it creates abandonment and hysteria in you
 - You can't feel safe without fear.
- If you **answer the truth right in the moment** it creates safety.
 - Otherwise the only way to feel safe is for the other person never to go deep enough to threaten your protection; to never question anything, but agree to be shallow.
 - If people allow you to ice skate in a relationship, that's all you will ever have.
- **KEY:** So you feel terrified. So what! Do what you have decided to do anyway. **The deeper the terror, the closer the safety.**
 - When you don't take an opportunity, it damages your self esteem.
 - When you yourself separate from your experience, you are in danger. You don't take responsibility for dealing with what is so.
- **Our sexual illusions are because we don't deal with the truth of what sexuality is.**
 - We want sex to be really about sex.
- Karma: "What ye sow so shall you reap. What ever you put out in the universe comes back to you. **Unconditional love erases karma.** Unconditional Love is a by-product (result) of Personal Responsibility; Choosing your response no matter what the other person does or feels.
 - **Every time you regret something, punish yourself or worry, you are wasting time. It creates more karma.**
 - Regret is dangerous because it is actively creating the future. You are eliminating options. Worry is a waste of time. It has no value.
 - You want freedom? Personal responsibility is the only way.
 - Imagine that from this moment on you only speak from personal responsibility. It will erase your karma.
 - You don't have to re-experience negativity. You can just see it coming, watch it go by and don't grab on to it.

SATURDAY DAY

- Have everyone take a few deep breaths.
- Read “How do I know When It’s Time to Leave a Relationship?”- from Emmanuel’s Book II
- Our assumption from now on will be that you all mean what you say.
- First, here is **an opportunity to deal with anything that's out**, so you can be in integrity.
- Second, here is **an opportunity to deal with your relationship**. Take it until you start to fight and choose to not shift it in the moment. If you don't shift we will go on to the next person.
- If you are not experiencing yourself in integrity, you won't be able not to fight. Your soul wants you to be in integrity. **Any projections, blame, victimization, and your soul will stop you.**
 - Integrity means being ordinary and allowing each situation to be equal.
- **You cannot have a relationship of joy until you are clean.**
- Just be real and all the mythology of your poverty-stricken soul goes away.
- The most power, joy and bliss you can have in a relationship is to make it ordinary and mundane. The more ordinary, the more sexual and powerful.

BREAK

- **Talk in the instant about what's going on.**
 - The reason why people don't is because they don't want to feel the truth of the situation.
 - For someone in the relationship to pretend that they don't understand what the other person is saying is torture.
 - Everybody has an opiate from their history. What's important is to feel what's true.
 - Seeking disapproval is the same as seeking approval.
 - People re-create their family scene without being conscious of it.

- **Paradox = feelings and vision.**
 - When you don't live according to your convictions, it has an effect on your relationship.
- In the three dimensional reality, there is good/bad; right/wrong; religion, belief and pictures. If you choose to live in that world, most of what we have chosen to do won't work. **In order to leave the third dimension, you have to give up blame.**
 - Victims control the situation. They are in total charge. "Not knowing" controls the situation.
 - Anger turns into violence when there is control put on it.
 - Control eliminates depth in a relationship.
 - We consciously create a fantasy to not deal with the truth of the relationship.
- **Choosing the third dimension** when you know what you do know now, is damaging. The stakes are high for all of us.
- Read " The Last Interlude" from Houses Without Doors by Peter Straub

LUNCH

SATURDAY AFTERNOON

- **What it feels like is irrelevant.**

It's difficult to give up believing that when you feel, good things are okay. Things are okay when you are doing what you said you'd do; when you are chaotic and still doing the behavior you chose. When there is no pretense. **Sometimes it will feel good.**
- When people receive what you give you feel fed. If you are asked for something and you give it and it is not receive, you feel violent.
- **When you don't put a cap on your experience you will feel terror and confusion.**
- **It's impossible to be bored.** If you are bored, look inside or give to someone.
- We chose to be incarnated here at this time to be on the transition team. We all are here to teach going from what we were to what we are. All you can teach is how to do what you do.

- All the stuff we have been dealing with today is the core of what has to be handled in order to have a spiritual relationship.

- **If you are a liar, you are a morsel for Satan. You can be knocked over by a truth teller. It's like being blind in a world of light. The denseness takes you over.**

- If people don't feel when a knife goes in, they are not talking to the person they are talking to. They are in an illusion.

- If you want distance, you have that right. But if you attack...

- **Feelings are not important.** When you act them out, just correct. Feelings running the relationship will drive you to despair. The good ones will leave but the bad ones stay.

BREAK

- The only commitments worth keeping are the ones you don't want to keep.

- **To have the relationship you say you want means change.** It means doing what you say you'll do no matter how you feel.

- When people don't do what they don't want to do, they are spoiled.

- It doesn't matter what you want. What matters is your vision. How you do that is irrelevant.

- **Recipe for choice:**

- 1. Give yourself three or four options

- 2. Hum "Jeopardy" in your head

- 3. Pick one

- 4. Do it.

- The energy of **no choice** is hysteria.

- **Change only occurs when there is a perceived need.** If you are with someone and try to control them into changing your sexuality leaves.

- **In a relationship where both are not going for change, it will last for a while. If only one changes it will be over. Only if both go for it will it last.**

- How many people have a reason for being with the person you are with because you are afraid of being alone?

- Assignment for after dinner: Work with your groups until you have the experience that they have let go of their relationship issues. Until they breakthrough. There is no form for them to observe. **Can do whatever it takes.**

DINNER (Play “Wildest Dreams”)

SUNDAY DAY

- **The way to have a spiritual relationship is to be in your experience. To be ordinary.**
- The fights have been extraordinary. When we are in a fight, if we change our experience, we create a story and are in it, not our experience.
 - The content is always irrelevant. It's how you do things that matters.
- Your thoughts and feelings are a result of the last way you thought and felt and how you responded to it.
- The way you change is by responding in the middle of a crisis in a new way.
- **Every time you believe your reaction, you create the future.**
- **Generalized principles of relationship:**
 - You have to handle what's true in a relationship.
 - You can't just declare a new relationship.
 - You have to deal with the effects of your behavior on the other person.
 - Choose a new behavior.

BREAK

- Two hours of no supporting the participants and they support each other.
- Teach about the value of "declarations" and what they actually do.
- Whatever you are caught in is because of your behavior right now. You don't want to be responsible for what you do.
- Qualifying what you are saying is trying to control the other person's experience.
- **Context for approaching a relationship:**
 1. How is what I'm doing affecting my friends, family, planet, vision? From that approach, behave in ways that support the highest good. There is no control and it creates joy.

OR 2. Am I getting enough love and attention... creates scarcity, poverty, devastation, separation and control. Am I good?.. Did I say it right?... is part of this. Believing your reactions, thoughts and feelings is too.

3. To attempt to not have any form, no agreements and no limits creates a relationship of the mind and dissatisfaction.

• **Spiritual bliss, flight and physical merging only comes from keeping your agreements.**

• There is no separation between work and home and life. We are learning.

LUNCH

SUNDAY AFTERNOON

• Read "Bar Talk" (from Houses Without Doors - Peter Straub and let everyone say their interpretations of the story.
- If you have a taste of something you have an opportunity to go for the whole thing.

• **Why do people say no to having a real relationship?**
- because... they want their parents.
- because... when they feel free, they then have a thought that they don't want to see the results of.
- because... they have to deal with how they were with their parents
- because... they don't think they can have both —
- both parents,
- love and hate at the same time. When they feel love, they start to feel everything and hate cancels out the love.

• **Feelings don't mean anything when you are going through a transition.**

• Next time:
wood nymphs
spirits
extra terrestrial
connections to the earth
be grounded and fly at the same time
sweat lodge (?)
