**SESSION 2
June 27-30, 1991**

FIRST EVENING

Start with the breathing exercise, in silence. Get into bodies and notice where you begin to be afraid.....(2 minutes). Then start to listen to the sounds outside (1 minute).

Ask how many people did each of the assignments. Don't go for letter of the law. It is important for people to know what they did and didn't do and also what they do when asked.

*Note: arrange to see Thelma and Louise on Saturday.

This session is about your spiritual essence in relationship.

We will do a two day healing on the second and third days on sexuality.

Ask who experiences their sexuality as healthy?
Ask those people to share how they see their sexuality.

Address people's beliefs when what they say is not present (pictures).

JOKE: Susan is going to have sex with everybody. And we figure that all of us together equal a long-term relationship.

How to prepare for the next two days — just know what is true about yourself sexually.

Sharing about everything since last session.

After T's sharing: How many people have had their relationships be a scene in a movie?

How many people can say unequivocally that they will give it up?

There can be so many stories, but none of them have anything to do with reality. True relationship has nothing to do with a movie.

We are not suggesting not to have ritual or creating together by agreement, ways of being that might seem romantic, as long as you remember that you have to go poop sometimes. That's different than living a drama. Make it all conscious by agreement.

Result in T is that he can no longer walk the tight rope between the worlds. Their marriage is broken (right now). He is here to see what is true and trust himself. He wants to get out of drama and in integrity and then decide what he wants.

Ask people what the result of T's situation would be in their relationship .

Everyone knows everything there is to know. How do you will yourself to deal with your knowing?

When two people have matching dramas, they are perfectly matched. If one gives up the drama, they will no longer notice the other person.

Knowing has nothing to do with familiarity.

Jack: has wanted people to take care of him. He left here in a spiritual crisis last time and it got worse.

JOKE:

Judith: When people give you the information you fight it.

Jack: I do not!

Nancy and Susan - spiritual joining. There is no other person.

Sansea - shared about calling a Rector for her church.

Change only happens in the middle of perturbation, of paradox.

Question to Michael: "Why don't you choose to get married?"

Answer: (1st) "We are afraid."

We are creating the ground for spiritual joining in relationships here this weekend.

It is impossible to grab on to an experience that was or one that will be. You can only have what is now. There is no past or future except as they are occurring simultaneously with the present.

Gracie, "All my illusions fell away" when she saw how much she wants Neil to take care of her. She saw who he is and didn't like him much for a week or two.

Another level of projection is... as high up as you put somebody is how low you also have to put them.

Until you are equal, there is no real relationship and only a mythological one.

JOKE: There is no "it" (he, she, we and it).

When an opportunity goes by, it will never happen again. All that has to happen is that the truth be told in the moment.

George stopped smoking and doesn't have the desire to smoke. He feels great sadness since he quit.

JOKE: That's what I get for asking a baby for support.

George: "I know all the time that we are spirit and connected."

BREAK

"We have a question for everyone to answer between now and 9:00 pm":
What is your true desire to have in your relationship of a spiritual nature?

You don't want to have a special relationship that doesn't include all other relationships, because you have a picture of how to be in a certain relationship.

Allow yourself to be sexual with everybody and act it in your chosen relationship.

Be the same with everyone. Don't keep yourself from being yourself with anyone.

KEY: Spirit knows no separation. Everyone is equal. And there is nobody but you.

The projection you have on another person is physically experienced.

You put pieces of yourself out on other people and you are an empty shell.

The courage in taking back projections is to tell the truth, with nothing added and nothing taken away.

Every time we believe a projection we become less than who we are and there becomes a blockage in that area.

Instead, see yourself and know that you are being a nerdball and have compassion. Watch your thoughts and notice.

Mary agreed to not have sex for a month; every time she would have had sex, instead look at Shane and don't touch for an hour. She is going back to McDonald's too.

JOKE: Chug a chuga chuga...I think I can, I think I can, I think I can...

If you are afraid of being abandoned, don't ever abandon anyone; don't withhold anything.

How do you create the space to truly make a shift? If you don't believe that you are the source of your life, it's a defense. You don't feel powerful.

We will design a way to get through that for the "specially gifted defense group," or "inverted power group."

If anyone from that group makes a shift, you will have so much to give to people that are in that space.

Anne is not going to be here tomorrow. Rolf will come as her proxy.

FRIDAY DAY

Begin with breathing exercise again.

Play "Baraby's Canon."

Continue the list of spiritual aspects in relationships.

JOKE: He'll probably dump you now that you said it.

You won't get what you want if you don't take a stand. If you always have an out, it creates abandonment and hysteria.

Susan's mom is Mildred Josephs.

JOKE: Congratulations! You have been selected to...

JOKE:

Susan F.: "I would choose Gary until I heard you don't hug and kiss a lot."

Gary: "I could learn."

You can't feel safe without fear.

If you answer the truth right in the moment it creates safety.

Otherwise the only way to feel safe is for the other person never to go deep enough to threaten your protection; to never question anything, but agree to be shallow.

If people allow you to ice skate in a relationship, that's all you will ever have.

KEY: So you feel terrified. So what! Do what you have decided to do anyway. The deeper the terror, the closer the safety.

When you don't take an opportunity, it damages your self esteem. You don't know you are in crisis. If you are not in the role of "the enlightened one," people operate on a different level.

When you yourself separate from your experience, you are in danger. You don't take responsibility for dealing with what is doing on.

Our sexual illusions are because we don't deal with the truth of what sexuality is.

We want sex to be really about sex.

Karma: "What ye sow so shall you reap. What ever you put out in the universe comes back to you. Unconditional love erases karma.

Unconditional Love is a by-product (result) of Personal Responsibility; Choosing your response no matter what the other person does or feels.

Every time you regret something, punish yourself or worry, you are wasting time. It creates more karma.

You want freedom? Personal responsibility is the only way.

Regret is dangerous because it is actively creating the future. You are eliminating options. Worry is a waste of time. It has no value.

Imagine that from this moment on you only speak from personal responsibility. It will erase your karma.

You don't have to re-experience negativity. You can just see it coming, watch it go by and don't grab on to it.

BREAK

*The people who are in the inverted power group sit in an inner circle.

-They share about their sexuality.

-Whenever someone in that circle gets that someone else in the circle is telling their real truth, that person leaves the circle and someone else can come in.

-It is possible to re-enter the group.

Cate shared a secret about an "affair" she is and has been having with Chris. People got hysterical. She talked about not trusting herself in relationship with other people. She is happy being with him.

Whoever tries to be a good person turns into a bitch.

Mistakes and sexuality: do something personally responsible for your sexuality.

What is in a relationship is nothing. You create what is.

The best relationships are the ones where sometimes you want to be with the person and sometimes you don't. But it is ordinary.

Why not give everyone the right to want what they want. They might not want what you want.

People are who they are. Either you want them the way they are or forget it. There is nothing you can do to make the other person be different. What you do have the power to do is heal yourself.

JOKE: "You can get more kids." —George

LUNCH

FRIDAY AFTERNOON

Meditation for sexual healing:

Close your eyes. Go back to that first sexual experience. Re-experience it the way it was. Just the way it was. Then create the experience of it the way you want it to be. Look at that person and thank them and move on to the next. Say goodbye and move on to the next. First you experience it the way it was and then the way you want it to be. Then thank them and move on. We will give you five minutes to do all the experiences up to intercourse.

Parents or churches judging sex; possessiveness of families of children's bodies created the violence that makes rape possible.

Incest between fathers and daughters is because they are little; Mothers and sons too.

BREAK

Work with Susan and her mom:

- Susan believes that her truth has to be compromised in order to have a relationship with her sister.
- Mildred felt that she had to choose between her daughter and her husband.
- Support to Mildred: remember her husband with love and not allow her daughter to hurt herself by talking bad about her father to her mother.
- Support for Susan and Mildred: during the sexual healing, forgive yourselves, him and Helene.
- Mildred does not fit the pattern of the wife of a man who has incest with his daughters.

We talked about who has never gotten little and lost the boundaries with their children.

BREAK

Every child is in love with their parents. And they want them all to themselves. Their parents become their soul's picture of man or woman. Your parents are your model for man and woman. The more you rebel the more you are like them. The more you allow them to be who they are, the more space you have to be who you are.

But in our culture, no incest.

We did a meditation to have them make love to their opposite sex parent. Then the other parent comes in and loves them together and the participant gets both parents at the same time.

After dinner, in groups: RELATIONSHIP HEALING

-Go over all of your sexual relationships and re-create them, so you end up innocent and virginal. Go year by year so that by tomorrow they are all fresh sexually; clean, new, innocent, joyful. Do it all night long if necessary.

-Share whatever is important to share.

-Make all sexual experience real. Get to what it really is now.

-It maybe that you needed to make love and didn't. You can redo that.

If you know the truth you have the ability to choose freedom. Even though you might not act on the knowledge.

Mean what you say and say what you mean. Let yourself know what is true.

What truths do anybody have to share before dinner.

You can release all karma tonight if you only say what's true.

DINNER

SATURDAY DAY

A few deep breaths.

Our assumption will be that you all mean what you say.

First, an opportunity to deal with anything that's out, so you can be in integrity.

Second, an opportunity to deal with your relationship. Take it until you start to fight and don't shift it in the moment. If you don't we will go on to the next person.

If you are not experiencing yourself in integrity, you won't be able not to fight. Your soul wants you to be in integrity. Any projections, blame, victimization, and your soul will stop you.

You cannot have a relationship of joy until you are clean.

Just be real and all the mythology of your poverty-stricken soul goes away.

The most power, joy and bliss you can have in a relationship is to make it ordinary and mundane. The more ordinary, the more sexual and powerful.

JOKE: Sansea, "Can you make a distinction between dull and ordinary?"

Talk in the instant about what's going on.

The reason why people don't is because they don't want to feel the truth of the situation.

For someone in the relationship to pretend that they don't understand what the other person is saying is torture.

Everybody has an opiate from their history. What's important is to feel what's true.

Integrity means being ordinary and allowing each situation to be equal.
Simplicity is a by-product of being ordinary.

Seeking disapproval is the same as seeking approval.

People re-create their family scene without being conscious of it.

Paradox = feelings and vision.

When you don't live according to your convictions, it has an effect on your relationship.

In the three dimensional reality, there is good/bad; right/wrong; religion, belief and pictures. If you choose to live in that world, most of what we have chosen to do won't work.

In order to leave the third dimension, you have to give up blame.

JOKE: No Susan, you're wrong again.

Victims control the situation. They are in total charge. Not knowing controls the situation.

****If people don't keep the commitment to the follow-up sessions, don't come back to the program.**

We consciously create a fantasy to not deal with the truth of the relationship.

JOKE: I called the police.

Assignment for Kris: To be close to Andy and Natalie and yet be herself. (Peter and Jack too.) She needs a vision of her to hold onto when the temptation to be the blob takes over.

Choosing the third dimension when you know what you do know now, is damaging. The stakes are high for all of us.

What it feels like is irrelevant. We chose to be incarnated here at this time was to be on the transition team. We all are here to teach going from what we were to what we are. All you can teach is how to do what you do.

It's difficult to give up believing that when you feel, good things are okay. Things are okay when you are doing what you said you'd do; when you are chaotic and still doing the behavior you chose. When there is no pretense. Sometimes it will feel good.

JOKE: Well, you'll just be endarkened.

Control eliminates depth in a relationship.

JOKE: Don't tell me I'm wrong again.

When people receive what you give you feel fed. If you are asked for something and you give it and it is not receive, you feel violent.

When you don't put a cap on your experience you will feel terror and confusion.

It's impossible to be bored. Look inside or give to someone.

JOKE: Get a life!

BREAK

JOKE: Can we go to your island if you are in jail?

JOKE: Sybil's imitations...

Avram thinks his investment in Choices was a mistake. He wants to rectify it and doesn't want to get out. He bases his value of his decision on money. He is doing his best to turn QED into Uncle Sam and is in two worlds.
